Dear Principal,

We sincerely appreciate the contribution that the graduates from your school have made to the development of our school and we are proud of their achievements. In recognition of this fact, we are sending you the list of the graduate(s) from your school who attained outstanding results in the 2022 Hong Kong Diploma of Secondary Education Examination. Details are as follows:

English Name	University Admitted	Programme Admitted

We also wish to recognize the role played by primary schools such as yours in giving the children a good grounding in their studies, because without this, further progress at secondary level is very difficult to achieve. We will continue to work hard to ensure that the student(s) can achieve their full potential. We look forward to a continued close relationship between our two schools in the future and thank you once again for your support.
