Dear Mr. Choy,

I am pleased to inform you that S.1C WONG YAN TUNG MICHELLE (黃焮瞳), a former student of your school, performed very well in the academic year 2021-2022. She achieved the following:

Best Performance in Physical Education (Year end)

During the past few years, we have been glad to see that your graduates, who are now studying in our school, have shown enthusiasm for learning, developed sound characters and have adapted to the new learning environment well. There is no doubt that the sound foundations provided by your school were instrumental in these achievements. Let me take this opportunity to thank your school for the fine contribution to the above student's performance.

We hope we can have the opportunity to cooperate with your school for the better education of our youth. Please feel free to contact me at 2711-5202 should you have any questions.

Yours sincerely,

Ip Miu Ngan

Principal
